INBHEAR SCEINE KERRY S.A.C. are to host the regional dive weekend this year in the Cahersiveen area on the 16,17 & 18th May 2014 .

This is an invitation to all clubs to join us on a dive and fun weekend in the Cahersiveen area. This weekend has been a great success in recent years.

We will base our boats and meeting point at the Cahersiveen marina. We hope not to change too much from the previous years. We will meet Friday afternoon and get a dive in Friday evening.

Registration will be Saturday morning between 9 and 9.30 Am. The brief will be at 10 Am.

A registration fee of 10 euro will be charged to each diver . This will cover the weekend expenses at the marina for boats and facilities showers and toilets.

Each diver will be asked to contribute to fuel cost of the boat that they dive from .

There will be compressors on site but would appreciate if divers could arrive with full bottles-1 Euro per fill. **BOTTLES FOR FILLING MUST BE IN TEST AS PER CFT REGULATIONS.**

We will have a limited amount of boat spaces for divers travelling without boats.

All divers must register and show their log book & active diver cert.

Feel free to pass this invite on to new Diving officers.
