The Diving season is upon us!!

Inbher Sceine/Kerry Sub Aqua Club are inviting all clubs to join us on a dive and fun weekend in the Cahersiveen for the Southwest Regional Dive Weekend. This has been a great success in recent years & we hope 2015 will be no different.

We will base our boats and meeting point at the Cahersiveen marina.

We hope not to change too much from the previous years. We will meet Friday afternoon and get a dive in Friday evening.

Registration proper will be Saturday morning between 9 and 9.30 Am. The brief will be at 10 Am.

A registration fee of 10 euro will be charged to each diver .This will cover the weekend expenses at the marina for boats and facilities showers toilets etc.

Each diver will be asked to contribute to fuel cost of the boat that you dive from.

There will be compressors on site but would appreciate if divers could arrive with full bottles-€2 Euro per fill.

BOTTLES FOR FILLING MUST BE IN TEST AS PER CFT REGULATIONS.

We are requesting that where possible Clubs bring a Boat because space is always at a premium!

We will have a limited amount of boat spaces for divers travelling without boats.

All divers must register and show their log book & active diver cert.

Feel free to pass this invite on to all Diving officers.
