Dawn Dive 2018

In aid of Kerry Hospice Foundation

<https://www.kerryhospice.com/>

We are planning to run the dawn dive on Sat 23rd June 2018 as tides etc suit –please note that **numbers will be limited** due to space etc.

It will be similar to last year but with a few slight changes:

- (1) All registrations to be made by 15/06/2018 by email (address below).
- (2) Please include Name/s, Diver grade/s-these will be needed to allocate buddy pairing/s.

- (3) Your insurance must be up to date.

- (4) The cost will be set at €50pp-this will include the dive, breakfast and a second dive mid-morning to a more local site.
- (5) Diving will be restricted to depth and time as we will be on a tight schedule.

So if these tick any of your boxes
Then contact either myself or Gearoid and we'll take it from there

Registrations to: diver2284@icloud.com
