

SW Regional Weekend 2020

Written by Brendan
Monday, 20 April 2020 20:19

It is with great regret that the South West Regional Dive Weekend scheduled for the 15-17th May 2020 will be cancelled due to ongoing concerns regarding the continuing impact of the coronavirus.

The health and safety of all of those who join us for this annual event has been a priority for the us in making this decision.

We look forward to seeing you all again in 2021.
